Our know how at **DRUPA 2016**

Join us at
DRUPA 2016

We will be present in
Hall 10 Booth B40

In less than a month from now, **DRUPA 2016** will get started in Düsseldorf and **Serviform is working intensely on the preparation of all its starring products!** We hope you appreciated the information we sent you in our previous newsletter so that you are considering **a visit to our booth nr. B40 in hall 10.**

Today we would like to anticipate some more highlights not only about our machines, but also about our staff who will be present during the fair. Thanks to their skills and expertise **you will get a clear picture of our products and how they can help to add to your business a significant value.** In case you could not find the time to book a meeting, just contact us via email at adevecchi@serviform.com: we will be happy to welcome you!

Here the new features of our machines in a nutshell:

You will find them in production conditions on the booth:

RotaNext

30% faster bending unit.
*RotaNext is the World
 Premiere on the booth!*

EcoPlus

4 sizes revolver nick
 cartridge,
 on-line punch nicking.
*EcoPlus is unbelievably
 faster!*

EcoGiant

Perforation unit fully
 motorized for steel.
*EcoGiant rules it up to 60
 mm!*

Rubba

Serviform tailored
 diemaking software
 interface. *Rubba speaks
 diemaker's language now!*

MillaPlus

Integrated measuring unit
 for dies.
*MillaPlus makes steel rule
 plate milling extremely
 easy!*

Idea

*Idea is still the most
 accurate bending system
 on the market!*

We are happy to share Serviform's staff and management presence on the booth:

"Arrivederci" on our booth in Düsseldorf to enjoy our products, our company and...
... an authentic Italian Espresso!

All the best,
Serviform staff
